CANADA.
No. 581.

SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

I have, etc.,
A. BONAR LAW.

The Governor-General,
His Royal Highness
The Duke of Connaught and of Strathearn, K.G.,
etc., etc.

BRITISH PROPERTY IN ENEMY COUNTRIES.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities

of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, 7th February, 1917.

PRESENT:

THE HONOURABLE THE ADMINISTRATOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the “Court Rules of Practice Act” and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, Turkish, or Bulgarian subjects resident in Canada at the commencement of the war and during the war.

And that the Orders in Council herein, Nos. 741 and 1201, be rescinded.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, B.C., Saturday, 2nd November, 1918.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR IN COUNCIL.

THE Honourable the Minister of Lands having reported:—

1. That the Kaleden Irrigation and Power Company, Limited, is a Company incorporated under the “Companies Act, 1910,” of the Province of British Columbia, with its registered office at Summerland, in the said Province, and authorized by its memorandum of association to carry or supply water for irrigation purpose:

2. That under the provisions of section 171 of the “Water Act, 1914,” and Order in Council No. 1615, issued thereunder and approved the 9th day of April, 1918, an inquiry into the affairs of the said Company and a report have been made:

3. That the said inquiry and report disclose, among other things, that the said Company is in

possession of certain works for conveying water from Sheep Creek and Marron Creek, tributaries of Okanagan River, to Lots Numbers 103 (S.), 104 (S.), 105 (S.), 3757, and part of the South Half of Section 24, in Township 88, Osoyoos, for irrigation purpose under water records appurtenant to the said lands, and that the said Company has heretofore operated the said works and conveyed waters for the owners of the said lands, but has not taken out a licence for conveying purpose, and has therefore no authority to collect tolls for carrying said water; that the said Company has no liquid assets, and its only revenue is that obtained from tolls collected from the said owners:

4. That one C. E. Banbury, the holder of a mortgage covering the greater part of the above-described lands, has applied to have the said works declared to be appurtenant to the said lands under the provisions of section 171 of the "Water Act, 1914":

5. That it is necessary in the public interest and for the protection of the water-users under the said Company's system, pending the consideration of the said application, that provision be made for the maintenance and uninterrupted operation of the works for the supply of water for irrigation to the lands served by the said works, and to that end that the said Company should be authorized to maintain and operate the said works for a limited period, and to collect such water tolls as the Board of Investigation may after notice determine to be just and reasonable:

His Honour the Lieutenant-Governor of British Columbia, by and with the advice of His Executive Council, doth order as follows:—

1. That pursuant to section 171 of the "Water Act, 1914," the Comptroller of Water Rights be directed to issue a licence for conveying purpose authorizing the Kaleden Irrigation and Power Company, Limited, to convey water from Sheep Creek and Marron Creek, tributaries of Okanagan River, to Lots 103 (S.), 104 (S.), 105 (S.), 3757, and part of the South Half of Section 24, in Township 88, for irrigation until the 31st day of December, 1919, on such terms as the Board of Investigation, under the "Water Act, 1914," after notice may determine to be just and reasonable; and

2. That it be ordered that in respect of the Kaleden Irrigation and Power Company, Limited, the cost of maintenance, repair, and operation of its water system shall be a first charge against the revenue of the said Company derived from water tolls to the exclusion of all fixed charges, whether by debenture, mortgage, or otherwise, against such Company.

DOMINION ORDERS IN COUNCIL.

[2303]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 21st day of September, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS section 1 of the Coal Mining Regulations, established under authority of section 37, chapter 20, of 7-8 Edward VII., by Order in Council dated the 20th of April, 1910, and amended by subsequent Orders in Council, provides that the term of the lease shall be twenty-one years, renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister of the Interior to show that during the term of the lease he has complied with the conditions of such lease and with the provisions of the regulations regarding the disposal and operation of coal-mining rights which may have been made from time to time by the Governor in Council;

And whereas the initial expenditure involved in the development of a coal-mine and in the installation of the machinery and equipment necessary for its operation would appear to justify the continuance of the lease for a greater period than that specified in the regulations;

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Acting Minister of the Interior, is pleased to order that section 1 of the above-mentioned regulations shall be and the same is hereby rescinded and the following is substituted therefor and made to apply to all coal-mining leases already issued under the provisions of the regulations:—

"The term of the lease shall be twenty-one years, renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease, he has complied fully with the conditions of such lease and with the provisions of the regulations regarding the disposal and operation of coal-mining rights which may have been made from time to time by the Governor in Council, and subject to renewal for additional periods of twenty-one years on such terms and conditions as may be prescribed by the Governor in Council."

And whereas section 13 of the said Coal Mining Regulations provides that all leases of coal-mining rights, issued under the regulations, shall be subject to the provision that actual settlers shall be entitled to buy at the pit's mouth whatever coal they may require for their own use, but not for barter or sale, at a price not to exceed \$1.75 per ton, and the lease issued for coal rights shall be made subject to such provision;

And whereas the above provision was first made by Order in Council dated the 23rd of March, 1904, and all coal-mining rights have since been disposed of, subject to that provision;

And whereas representations have been made to the Department of the Interior that, as the cost of coal production has very materially increased, it is no longer possible for the mine operators to profitably produce and sell coal at the price fixed, and the request has been made that the maximum charge be very materially increased;

Therefore, in view of the changed conditions of coal production, His Excellency in Council is further pleased to order that the maximum charge

of \$1.75 per ton specified in the above section of the Coal Mining Regulations, shall be and the same is hereby increased to \$2.75, and made to apply to coal-mining rights already disposed of;

And whereas section 24 of the same regulations provides that the lease shall include the coal-mining rights only, but the lessee may, upon application, be permitted to purchase at the rate of \$10 an acre, whatever area of the available surface rights thereof the Minister may consider necessary for the efficient and economical working of the coal-mining rights granted under such lease:

And whereas section 8 of chapter 27 of 4-5 George V., being an Act to amend "The Dominion Lands Act," provides that lands containing coal and other minerals may be leased under regulations made by the Governor in Council, but provision is no longer made for the sale of lands under such regulations;

And whereas no regulations exist for the leasing of lands for coal-mining purposes;

Therefore, His Excellency in Council is further pleased to order that section 24 of the Coal Mining Regulations shall be and the same is hereby rescinded, and the following is substituted therefor:—

"The lease shall in all cases include the coal-mining rights only, the property of the Crown, but the lessee may, upon application, be granted a yearly lease at a rental of \$1 per acre per annum, payable yearly in advance, of whatever area of the available surface rights of the tract described in the coal-mining lease, the Minister may consider necessary for the efficient and economical working of the rights granted under such lease."

And whereas representations have been made to the Department of the Interior that coal-mining lessees frequently adopt unskilful and improper methods in the opening-up and operation of coal seams on the locations leased to them under the regulations, which methods are not in the interests of economy and production;

Therefore, in order that supervision may be exercised over the methods adopted for the conservation and recovery of coal, His Excellency in Council is further pleased to order and it is hereby ordered that the following provision be inserted in the said Coal Mining Regulations:—

"The lessee shall, before opening any mine on the lands described in the lease, and before extracting any coal therefrom, submit to the Minister plans and specifications showing in detail the manner in which it is proposed to open up, develop, and operate such mine, and if the location contains more than one seam of coal, detailed information shall be furnished as to the particular seam which it is proposed to develop. No work shall be commenced for the recovery of coal, and no coal shall be extracted until such plans and specifications have been approved by the proper officer of the Department. The procedure to be adopted in opening-up and operating a mine on the lands leased, as well as the particular seam of coal which shall first be operated shall at all times be in accordance with the provisions of regulations duly approved by the Minister, and failure to comply with the requirements of such regulations shall render the lease subject to cancellation in the discretion of the Minister."

And whereas coal-mining lessees in their mining operations frequently create centres of population in isolated districts where educational facilities for persons of school age have not been established;

Therefore, His Excellency in Council is further pleased to order and it is hereby ordered that the following provision for the establishment of such facilities be inserted in the said Coal Mining Regulations:—

"Whenever the coal-mining lessee, by reason of his mining operations on the lands described in the lease, creates a centre of population comprising persons who, under the provisions of the regulations of the Province in which the lands are situated, are considered to be of school age, and in case a school district is organized under the regulations of the Province, owing to such centre of population having been so created, and including it, the lessee

shall erect and maintain, during the currency of the lease, a school-house for the accommodation of all such persons of school age, in accordance with the regulations of the Provincial Department of Education, and shall engage and pay a teacher or teachers, properly qualified and approved by the Provincial Department of Education."

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British subjects against a foreign Government or by foreign nationals against His Majesty's Government.

HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but

other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

ORDERS IN COUNCIL.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, 7th February, 1917.

PRESENT:

THE HONOURABLE THE ADMINISTRATOR IN COUNCIL.

ON the recommendation of the Honourable the Attorney-General and under the provisions of the "Court Rules of Practice Act" and all other powers thereunto enabling, the Honourable the Administrator of British Columbia, by and with the advice and consent of his Executive Council, doth order as follows:—

1. During the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, shall be granted in respect of any assets in this country without the express licence of the Crown acting through the Minister of Finance.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto, the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, Turkish, or Bulgarian subject, wherever resident, or to any one on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, Turkey, or Bulgaria, of whatever nationality, without the express licence of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for letters of administration or probate during the war shall furnish evidence to the satisfaction of the Judge to whom application is made that the person in respect to whose estate such probate or letters of administration are applied for was not a German, Austro-Hungarian, Turkish, or Bulgarian subject; or, failing such evidence, shall produce the licence of the Crown that such probate or letters of administration may be granted. Such applicant shall also give such information as the Registrars of the Courts may require in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subject, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper, the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, Turkish, or Bulgarian subjects resident in Canada at the commencement of the war and during the war.

And that the Orders in Council herein, Nos. 741 and 1201, be rescinded.

DOMINION ORDERS IN COUNCIL.

[2303]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 21st day of September, 1918.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS section 1 of the Coal Mining Regulations, established under authority of section 37, chapter 20, of 7-8 Edward VII., by Order in Council dated the 20th of April, 1910, and amended by subsequent Orders in Council, provides that the term of the lease shall be twenty-one years, renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister of the Interior to show that during the term of the lease he has complied with the conditions of such lease and with the provisions of the regulations regarding the disposal and operation of coal-mining rights which may have been made from time to time by the Governor in Council;

And whereas the initial expenditure involved in the development of a coal-mine and in the installation of the machinery and equipment necessary for its operation would appear to justify the continuance of the lease for a greater period than that specified in the regulations;

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Acting Minister of the Interior, is pleased to order that section 1 of the above-mentioned regulations shall be and the same is hereby rescinded and the following is substituted therefor and made to apply to all coal-mining leases already issued under the provisions of the regulations:—

"The term of the lease shall be twenty-one years, renewable for a further term of twenty-one years, provided the lessee furnishes evidence satisfactory to the Minister to show that during the term of the lease, he has complied fully with the conditions of such lease and with the provisions of the regulations regarding the disposal and operation of coal-mining rights which may have been made from time to time by the Governor in Council, and subject to renewal for additional periods of twenty-one years on such terms and conditions as may be prescribed by the Governor in Council."

And whereas section 13 of the said Coal Mining Regulations provides that all leases of coal-mining rights, issued under the regulations, shall be subject to the provision that actual settlers shall be entitled to buy at the pit's mouth whatever coal they may require for their own use, but not for barter or sale, at a price not to exceed \$1.75 per ton, and the lease issued for coal rights shall be made subject to such provision;

And whereas the above provision was first made by Order in Council dated the 23rd of March, 1904, and all coal-mining rights have since been disposed of, subject to that provision;

And whereas representations have been made to the Department of the Interior that, as the cost of coal production has very materially increased, it is no longer possible for the mine operators to profitably produce and sell coal at the price fixed, and the request has been made that the maximum charge be very materially increased;

Therefore, in view of the changed conditions of coal production, His Excellency in Council is further pleased to order that the maximum charge

of \$1.75 per ton specified in the above section of the Coal Mining Regulations, shall be and the same is hereby increased to \$2.75, and made to apply to coal-mining rights already disposed of;

And whereas section 24 of the same regulations provides that the lease shall include the coal-mining rights only, but the lessee may, upon application, be permitted to purchase at the rate of \$10 an acre, whatever area of the available surface rights thereof the Minister may consider necessary for the efficient and economical working of the coal-mining rights granted under such lease:

And whereas section 8 of chapter 27 of 4-5 George V., being an Act to amend "The Dominion Lands Act," provides that lands containing coal and other minerals may be leased under regulations made by the Governor in Council, but provision is no longer made for the sale of lands under such regulations;

And whereas no regulations exist for the leasing of lands for coal-mining purposes;

Therefore, His Excellency in Council is further pleased to order that section 24 of the Coal Mining Regulations shall be and the same is hereby rescinded, and the following is substituted therefor:—

"The lease shall in all cases include the coal-mining rights only, the property of the Crown, but the lessee may, upon application, be granted a yearly lease at a rental of \$1 per acre per annum, payable yearly in advance, of whatever area of the available surface rights of the tract described in the coal-mining lease, the Minister may consider necessary for the efficient and economical working of the rights granted under such lease."

And whereas representations have been made to the Department of the Interior that coal-mining lessees frequently adopt unskilful and improper methods in the opening-up and operation of coal seams on the locations leased to them under the regulations, which methods are not in the interests of economy and production:

Therefore, in order that supervision may be exercised over the methods adopted for the conservation and recovery of coal, His Excellency in Council is further pleased to order and it is hereby ordered that the following provision be inserted in the said Coal Mining Regulations:—

"The lessee shall, before opening any mine on the lands described in the lease, and before extracting any coal therefrom, submit to the Minister plans and specifications showing in detail the manner in which it is proposed to open up, develop, and operate such mine, and if the location contains more than one seam of coal, detailed information shall be furnished as to the particular seam which it is proposed to develop. No work shall be commenced for the recovery of coal, and no coal shall be extracted until such plans and specifications have been approved by the proper officer of the Department. The procedure to be adopted in opening-up and operating a mine on the lands leased, as well as the particular seam of coal which shall first be operated shall at all times be in accordance with the provisions of regulations duly approved by the Minister, and failure to comply with the requirements of such regulations shall render the lease subject to cancellation in the discretion of the Minister."

And whereas coal-mining lessees in their mining operations frequently create centres of population in isolated districts where educational facilities for persons of school age have not been established;

Therefore, His Excellency in Council is further pleased to order and it is hereby ordered that the following provision for the establishment of such facilities be inserted in the said Coal Mining Regulations:—

"Whenever the coal-mining lessee, by reason of his mining operations on the lands described in the lease, creates a centre of population comprising persons who, under the provisions of the regulations of the Province in which the lands are situated, are considered to be of school age, and in case a school district is organized under the regulations of the Province, owing to such centre of population having been so created, and including it, the lessee

shall erect and maintain, during the currency of the lease, a school-house for the accommodation of all such persons of school age, in accordance with the regulations of the Provincial Department of Education, and shall engage and pay a teacher or teachers, properly qualified and approved by the Provincial Department of Education."
